We sincerely appreciate your request for information about our Kuvasz. We breed kuvasz because we love the breed. It is very important to us that our puppies are healthy, happy, and well cared for. Placing a puppy or dog in a home is the easy part; placing a puppy or dog in the *right* home is a much more difficult task. We need to have information about you, your family and your lifestyle in order to make a better selection of the puppy that will become a part of your family.

We would ask you take a few minutes to complete the enclosed client information sheet in complete detail. If you wish to provide us with any additional information please add it to the back of the form.

The purchase of a puppy should be well thought out. You are making a commitment for the life of the puppy and should have as much information as possible to making the decision to buy. Should you have any questions or if we can be of further assistance please don't hesitate to contact us at the above telephone number. We look forward to hearing from you.

Sincerely,

Lynn Brady
